Dear George:

The Learning Dome is a terrific success, and your generosity has played a significant role in making it a reality.

Thanks to you and other contributors, countless kids and other members of our community will enjoy a unique facility, and urban students will have a venue to be proud of.

As I mentioned at the dedication, we've put in place The Galaxy Fund, which ensures the viability of The Learning Dome and other STEM initiatives in the Allentown School District for the foreseeable future. Again, your generosity made that possible.

I'm enclosing a photo of The Learning Dome as a token of my appreciation.
